In the Matter of an Application)

CRAIG DONALD WILLIAMS, D.D.S.) CONSENT ORDER
For Licensure to Practice Dentistry)
in the State of New Jersey)

This matter was opened to the New Jersey State Board of Dentistry ("Board") upon the application of Craig Donald Williams, D.D.S., for licensure to practice dentistry in the State of New Jersey. The Board reviewed Dr. Williams' qualifications as set forth in his application and obtained further records and reports in regard to his disclosure on said application that he had been arrested in July 1985 for indecent exposure and had undergone psychotherapy. The Board referred Dr. Williams to Philip Witt, Ph.D., for a comprehensive psychological evaluation and recommendations. In consideration of the recommendations in Dr. Witt's report, and it appearing that Dr. Williams otherwise meets the qualifications for licensure set forth in the Dental Practice Act, and in consideration of Dr. Williams' agreement to accept certain terms and conditions of licensure as set forth herein, and for good cause shown,

IT IS ON THIS 28th DAY OF NOVEMBER, 1988,
ORDERED AND AGREED THAT:

1. A license to practice dentistry in the State of New Jersey shall be issued upon the entry date of this Order to Craig Donald Williams, D.D.S., with the following conditions:

(a) Dr. Williams shall engage at his expense in short-term psychotherapy in accordance with the recommendations contained in the report of Dr. Philip Witt. The Board shall provide Dr. Williams with the names of alternative therapists who may be engaged for said therapy, and a copy of Dr. Witt's report shall be provided to said therapist. In addition, Dr. Witt and the treating therapist shall be authorized to consult with one another if it is deemed necessary.

(b) Dr. Williams shall cause the therapist to provide the Board with monthly reports in regard to dates of attendance and progress in therapy. Dr. Williams shall provide the Board with the name of the therapist he has engaged as soon as possible.

(c) Dr. Williams may practice dentistry only as the employee and under the direct supervision of a New Jersey licensed dentist. Dr. Williams may petition the Board for removal of this condition upon termination of the psychotherapy provided for herein and receipt by the Board of a discharge report from said therapist setting forth successful completion of the short term therapy and a recommendation that this condition be removed. Dr. Williams shall provide the Board in writing

with the name of any employing dentist(s).

2. Anything to the contrary herein notwithstanding, the Board shall have the discretion to cause Dr. Williams to submit to supplemental psychological evaluations and/or appear personally before the Board prior to modifying any of the terms or conditions provided herein.

3. In the event that Dr. Williams violates any of the provisions of this Order, the Attorney General may, on short notice, move before the Board for suspension or revocation of licensure to practice dentistry or for any other relief as may be in the public interest.

ARNOLD GRAHAM, D.D.S.
